

VISION

The Canadian Academy of Pain Management is dedicated to promoting excellence of care for pain sufferers; through comprehensive professional development for professionals who care for pain sufferers; in a context of interdisciplinary collaboration; and through adherence to the core professional attitudes and acquisition of knowledge essential for caring for pain sufferers.

Credentialing by the Canadian Academy of Pain Management acknowledges that the credentialed member demonstrates a high knowledge of the field of Pain Management and demonstrates the core attitudes requisite for the respectful, skillful and compassionate care of pain sufferers.
