

WEBINAR SERIES

**Sector Specific Webinars Designed for
Pain Specialists & Others**

7:00 PM—8:30 PM EST

Designed for CAPM Members, physicians and allied health care professionals, offering a series of webinars on topics to broaden the education reach to interdisciplinary pain management professionals. Registration is required to track numbers, provide login, and enable participation.

For each webinar a zoom link will be sent. A survey will also be sent after each webinar.
